U.S. Census reported total population as
23,930.² The graph on the right indicates the percentage by age group.

SPOTLIGHT ON...

SECURING FINANCIAL STABILITY

R esearch shows there is a correlation between an individual's financial stress and his/her health. The Clay County Cooperative Extension Service has presented Small Steps to Health and Wealth to three groups reaching 47 individuals with health and financial information. Evaluation showed that 49% reported tracking their current eating and spending habits, 100% compared at least one current health or financial measurement recommendation, 49% reduced calorie intake, 49% increased exercise, and 49% reduced expenses. Participants' statements include: "I have liked this program.""I am saving \$10.00 a month". "I have started walking".1

OUR COMMUNITY
