Making Beneficial Lifestyle Choices
Nurturing Families
Embracing Life as You Age
Securing Financial Stability
Promoting Healthy Homes and Communities
Accessing Nutritious Food
Empowering Community Leaders

Family and Consumer Sciences Extension made **61,600** contacts with Fayette County families during 2008-2009.¹

OUR PEOPLE

Figure 1. Population by Age Group² (n=260,512)

► 2008 estimates from the 2000 U.S. Census reported total population as **260,512**.² The graph on the right indicates the percentage by age group.

SPOTLIGHT ON...

PROMOTING HEALTHY HOMES AND COMMUNITIES

To help improve the overall health and well-being of Fayette County citizens, Fayette County Extension partnered with Central Bank and Quantrell Cadillac to present "Weight, The Reality Series," a 10-week program aimed at helping people lose weight and get regular physical activity. Weekly weigh-ins and a 45-minute lesson were presented to employees at both worksites. To celebrate success, a weekly "Biggest Loser" was named. More than 50 employees lost a total of 214.3 pounds. The participants were evaluated at the midpoint and at the conclusion of the program. Weekly prizes included weights, pedometers, water bottles, t-shirts and workout videos, and at the conclusion of both programs, grand prizes totaling more than \$1,000 were awarded.¹

OUR COMMUNITY

► Unemployment rates are a key economic indicator. In August 2009, the rate of unemployment in Fayette County was **8.2%**.³

Mortgage and bank card delinquency rates and foreclosure filings are important financial indicators of community well-being. In Fayette County, **2.49%** of mortgages are 90-days delinquent and 60-day bank card delinquency rates have increased by **1.31%**.⁴ In a one-year period (October 2008 through October 2009), **910** foreclosures were filed.⁵

Access to health insurance is another important factor contributing to family well-being. In Fayette County, **13%** of the people under age 65 are uninsured.⁶

As a result of participation in Fayette County Extension programs:¹

- **493** people were involved in addressing issues of their community.
- **367** people increased their knowledge of governmental process.
- **1,249** people were prepared to enter the work force.

OUR HEALTH
