

BARREN COUNTY

Mindy McCulley, County Extension Agent, Family & Consumer Sciences

BUILDING STRONG FAMILIES FOR KENTUCKY 2011

OUR FOCUS

► Family and Consumer Sciences Extension is committed to improving the quality of life for individuals and families in Barren County resulting in strong families for Kentucky. Educational programs focus on:

Making Beneficial Lifestyle Choices
Nurturing Families
Embracing Life as You Age
Securing Financial Stability
Promoting Healthy Homes and Communities
Accessing Nutritious Food
Empowering Community Leaders

Family and Consumer Sciences Extension made **5,211** contacts with Barren County families during 2009-2010.¹

OUR PEOPLE

Figure 1. Population by Age Group² (n=38,033)

► 2008 estimates from the 2000 U.S. Census reported total population as **38,033**.² The graph on the right indicates the percentage by age group.

SPOTLIGHT ON...

PROMOTING HEALTHY HOMES AND COMMUNITIES

Due to ever increasing rates of overweight and obesity in youth and adults, the Barren County Nutrition Coalition under the direction of the Barren County Extension Agent for Family and Consumer Sciences, presented the Second Sunday program. On Second Sunday in October, community citizens participated in walking and activities such as cardio and stretching, timberwalking, hula hoop, and an obstacle course at Beaver Trail Park to highlight the importance of physical activity in our daily lives. The goal of the day was to walk a combined 117 miles to signify the distance around the perimeter of Barren County. The goal was surpassed with a record of 147 miles walked during the event.¹

OUR COMMUNITY

► Unemployment rates are a key economic indicator. In July 2010, the rate of unemployment in Barren County was **10.8%**.⁶

Mortgage and bank card delinquency rates and foreclosure filings are important financial indicators of community well-being. In Barren County, **1.9%** of mortgages are 90-days delinquent and **1.4%** of bank cards are 60-days delinquent.⁷ In a one-year period (August 2009 through August 2010), **205** foreclosures were filed.⁵

Access to health insurance is another important factor contributing to family well-being. In Barren County, **14%** of the people under age 65 are uninsured.⁸

As a result of participation in Barren County Extension programs:¹

- **231** people were involved in addressing issues of their community.
- **167** people increased their knowledge of governmental process.
- **149** people expanded their knowledge of economic development.
- Barren County Extension is involved in **22** community coalitions.

OUR HEALTH

► The health of our people contributes to quality of life. The chart below illustrates health risks of adults in Barren County. **Figure 2. Health Risks.**⁸

As a result of participation in Barren County Extension programs:¹

- **377** people increased knowledge of practices to maintain health and well-being.
- **126** people developed skills to access affordable food.
- **1,600** people increased their use of radon testers, smoke detectors, fire extinguishers, and other devices to ensure personal safety.

OUR FAMILIES

► Using data from the 2000 U.S. Census, Barren County families can be described as follows:²

- **10,939** families reside in the county.
- **1,303** families (**11.8%**) live below poverty level.
- Median family income is **\$37,231**.
- **211** grandparents are responsible for the care of their grandchildren.

According to the Kentucky Cabinet for Health and Family Services, **3,046** people in Barren County receive supplemental nutrition assistance. The average family benefit is **\$236.63** per month.³

In the county, **110** children live in out-of-home care. There were **244**

child victims of substantiated abuse.⁴ There were **172** incidents of adult abuse.⁵

As a result of participation in Barren County Extension programs:¹

- **646** adults and youth improved their ability to make informed and effective decisions.
- **60** people adopted money management practices to reduce debt and/or increase savings.
- **440** adult and youth improved practical living skills.
