County Extension Agent, Family & Consumer Sciences

BUILDING STRONG FAMILIES FOR KENTUCKY 2012

OUR FOCUS

Family and Consumer Sciences Extension is committed to improving the quality of life for individuals and families in Anderson County. As the current economic situation continues to create challenges, educational programs focus on:

- **Making Healthy Lifestyle Choices** that influence health and well-being
- **Nurturing Families** as they cope with fewer resources and more demands
- **Embracing Life as We Age** to strive for independence longer
- **Securing Financial Stability** in a turbulent economic period
- **Promoting Healthy Homes and Communities** to recycle, reduce waste, and protect our environment
- **Accessing Nutritious Food** that is affordable, available and safe
- **Empowering Community Leaders** as we all work to sustain and improve our communities.

In 2010-2011, Family and Consumer Sciences Extension made **12,577** contacts with Anderson County individuals and families.²

OUR PEOPLE

Population by Age Group¹

The 2010 U.S. Census reported total population in Anderson County as **21,421**.¹

SPOTLIGHT ON ...

ACCESSING NUTRITIOUS FOOD

According to U.S. Census data, 12.4% of Anderson County residents are 65 years or older, with many living in poverty, able only to afford rent and medicine. The Family and Consumer Sciences Agent, partnering with the Department of Agriculture, Open Hands Food Pantry, and Senior Center, work to increase participation in the Farmers Market voucher program for local seniors and provide nutrition education. This program distributes seven vouchers per person that can be redeemed for \$28 of food at any farmer's market in Kentucky. Anderson County voucher redemption has risen from 18% in 2009 to a redemption rate of 74.6% in 2010. Older adults have increased their ability to afford and access fresh market food as a result of these programs.

OUR FAMILIES

According to the 2010 Census,¹ of families in Anderson County with their own children...

- **71.2%** are husband-wife families
- **28.8%** are single parent families

In addition, there are:
