BUILDING STRONG FAMILIES FOR KENTUCKY 2012

OUR FOCUS

Family and Consumer Sciences Extension is committed to improving the quality of life for individuals and families in Bell County. As the current economic situation continues to create challenges, educational programs focus on:

- **Making Healthy Lifestyle Choices** that influence health and well-being
- **Nurturing Families** as they cope with fewer resources and more demands
- **Embracing Life as We Age** to strive for independence longer
- **Securing Financial Stability** in a turbulent economic period
- **Promoting Healthy Homes and Communities** to recycle, reduce waste, and protect our environment
- **Accessing Nutritious Food** that is affordable, available and safe
- **Empowering Community Leaders** as we all work to sustain and improve our communities.

In 2010-2011, Family and Consumer Sciences Extension made **21,514** contacts with Bell County individuals and families.²

OUR PEOPLE

Population by Age Group¹

The 2010 U.S. Census reported total population in Bell County as **28,691**.¹

SPOTLIGHT ON ...

MAKING HEALTHY LIFESTYLE CHOICES

Bell County faces serious health challenges due to lack of physical activity among adults, obesity, and diabetes, according to The Health of Kentucky: A County Assessment. To reduce these factors, Bell County Cooperative Extension Service and Bell County Health Department hosted 2nd Saturday in October at Middlesboro Mall. Eighty participants walked, danced, biked, and jogged, enjoying stations for hula hoops, jump ropes, and parachute games. They received information on physical activity, MyPlate: planning for healthy eating, portion sizes, and lowering cholesterol. 100% stated that, because of the program, they would exercise more than three times a week. 80% increased their knowledge of calorie needs. 100% learned ideas to increase physical activity for the entire family.

OUR FAMILIES

According to the 2010 Census,¹ of families in Bell County with their own children...

- **62.0%** are husband-wife families
- **38.0%** are single parent families

In addition, there are:

- **11,787** households
- **3,584** households with 1 or more persons under the age of 18
- **806** grandchildren under 18 years old who live with a grandparent householder
- **3,462** households with at least one person age 65 and over

As a result of participation in Bell County Extension programs:²

- **656** people increased knowledge of lifestyle changes to improve personal health.
- **110** people increased knowledge of parenting and personal relationships.
- **392** people increased knowledge of safe storage, handling and food preparation.
