County Extension Agent, Family & Consumer Sciences

BUILDING STRONG FAMILIES FOR KENTUCKY 2012

OUR FOCUS

Family and Consumer Sciences Extension is committed to improving the quality of life for individuals and families in Carter County. As the current economic situation continues to create challenges, educational programs focus on:

- **Making Healthy Lifestyle Choices** that influence health and well-being
- **Nurturing Families** as they cope with fewer resources and more demands
- **Embracing Life as We Age** to strive for independence longer
- **Securing Financial Stability** in a turbulent economic period
- **Promoting Healthy Homes and Communities** to recycle, reduce waste, and protect our environment
- **Accessing Nutritious Food** that is affordable, available and safe
- **Empowering Community Leaders** as we all work to sustain and improve our communities.

In 2010-2011, Family and Consumer Sciences Extension made **22,712** contacts with Carter County individuals and families.²

OUR PEOPLE

Population by Age Group¹

The 2010 U.S. Census reported total population in Carter County as **27,720**.¹

SPOTLIGHT ON ...

MAKING HEALTHY LIFESTYLE CHOICES

With an obesity rate of 34% and an inactivity rate of 44% (County Health Ratings), Carter County adults risk developing serious diseases. Carter County Family and Consumer Sciences Agent and Little Sandy District Health Department offered "Weight: the Reality Series," a 10-week weight-loss program that taught tools and strategies for successful weight loss. Each week, a low-calorie, nutrient-dense dish was prepared, and weight-loss strategies and exercise were demonstrated. Of the ten participants completing the program, all lost weight and made a lifestyle change. All ten reported monitoring their weight at least weekly, exercising more, eating more fruits and vegetables, and developing a support system. Half reported that they continued to lose weight months after the program.

OUR FAMILIES

According to the 2010 Census,¹ of families in Carter County with their own children...

- **70.2%** are husband-wife families
- **29.8%** are single parent families
