BUILDING STRONG FAMILIES FOR KENTUCKY 2012

OUR FOCUS

Family and Consumer Sciences Extension is committed to improving the quality of life for individuals and families in Crittenden County. As the current economic situation continues to create challenges, educational programs focus on:

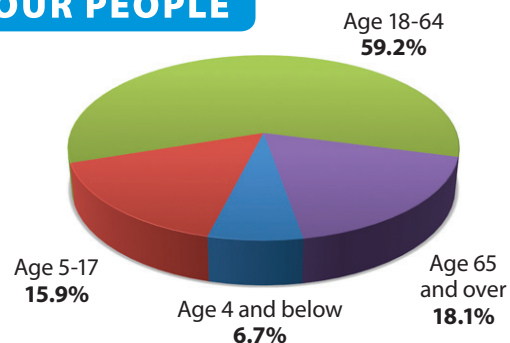

- **Making Healthy Lifestyle Choices** that influence health and well-being
- **Nurturing Families** as they cope with fewer resources and more demands
- **Embracing Life as We Age** to strive for independence longer
- **Securing Financial Stability** in a turbulent economic period
- **Promoting Healthy Homes and Communities** to recycle, reduce waste, and protect our environment
- **Accessing Nutritious Food** that is affordable, available and safe
- **Empowering Community Leaders** as we all work to sustain and improve our communities.

In 2010-2011, Family and Consumer Sciences Extension made **17,431** contacts with Crittenden County individuals and families.²

OUR PEOPLE

Population by Age Group¹

The 2010 U.S. Census reported total population in Crittenden County as **9,315**.¹

SPOTLIGHT ON ...

MAKING HEALTHY LIFESTYLE CHOICES

The 2008 estimates for Crittenden County from Centers for Disease Control show that 9.3% of adults have been diagnosed with diabetes, which can lead to health complications in vital organs such as kidneys, heart, and eyes that lessen quality of life and increase medical expenses. In partnership with the District Health Department, Cooperative Extension offered "Taking Control of Your Diabetes," a 12-week course for diabetics or family members of a diabetic. Follow-up surveys of participants revealed that 100% set and accomplished goals related to diabetes management. All understood signs, symptoms, and risk factors. 100% could state the benefits of managing diabetes. 100% had blood pressure taken, and blood lipids profiled.

OUR FAMILIES

According to the 2010 Census,¹ of families in Crittenden County with their own children...

- **72.0%** are husband-wife families
- **28.0%** are single parent families

In addition, there are:

- **3,781** households
- **1,110** households with 1 or more persons under the age of 18
- **226** grandchildren under 18 years old who live with a grandparent householder
- **1,209** households with at least one person age 65 and over

As a result of participation in Crittenden County Extension programs:²

- **434** people increased knowledge of lifestyle changes to improve personal health.
- **106** people increased knowledge of parenting and personal relationships.
- **176** people increased knowledge of safe storage, handling and food preparation.

OUR COMMUNITY
