BUILDING STRONG FAMILIES FOR KENTUCKY 2012

OUR FOCUS

Family and Consumer Sciences Extension is committed to improving the quality of life for individuals and families in Larue County. As the current economic situation continues to create challenges, educational programs focus on:

- **Making Healthy Lifestyle Choices** that influence health and well-being
- **Nurturing Families** as they cope with fewer resources and more demands
- **Embracing Life as We Age** to strive for independence longer
- **Securing Financial Stability** in a turbulent economic period
- **Promoting Healthy Homes and Communities** to recycle, reduce waste, and protect our environment
- **Accessing Nutritious Food** that is affordable, available and safe
- **Empowering Community Leaders** as we all work to sustain and improve our communities.

In 2010-2011, Family and Consumer Sciences Extension made **12,033** contacts with Larue County individuals and families.²

OUR PEOPLE

Population by Age Group¹

The 2010 U.S. Census reported total population in Larue County as **14,193**.¹

SPOTLIGHT ON ...

MAKING HEALTHY LIFESTYLE CHOICES

"Small Steps to Health and Wealth" is a Family and Consumer Sciences program that encourages behavior changes to improve health and personal finances. Seventeen adults ages 23 to 68 participated in the nine-week series in Larue County, which included a family fitness activity sponsored by public school Family Resource Centers at local school gyms. As a result of the program, participants reported they increased water intake and fruit consumption; ate fewer high sugar foods; exercised more, used coupons to save money, and eliminated soft drinks to save calories and save \$2.50 weekly. Three reported losing 10 pounds, with a loss of over 5% of their total body weight.

OUR FAMILIES

According to the 2010 Census,¹ of families in Larue County with their own children...

- **67.1%** are husband-wife families
- **32.9%** are single parent families

In addition, there are:

- **5,615** households
- **1,858** households with 1 or more persons under the age of 18
- **266** grandchildren under 18 years old who live with a grandparent householder
- **1,554** households with at least one person age 65 and over

As a result of participation in Larue County Extension programs:²

- **340** people increased knowledge of lifestyle changes to improve personal health.
- **44** people increased knowledge of parenting and personal relationships.
- **225** people increased knowledge of safe storage, handling and food preparation.
