County Extension Agent, Family & Consumer Sciences

BUILDING STRONG FAMILIES FOR KENTUCKY 2012

OUR FOCUS

Family and Consumer Sciences Extension is committed to improving the quality of life for individuals and families in Martin County. As the current economic situation continues to create challenges, educational programs focus on:

- **Making Healthy Lifestyle Choices** that influence health and well-being
- **Nurturing Families** as they cope with fewer resources and more demands
- **Embracing Life as We Age** to strive for independence longer
- **Securing Financial Stability** in a turbulent economic period
- **Promoting Healthy Homes and Communities** to recycle, reduce waste, and protect our environment
- **Accessing Nutritious Food** that is affordable, available and safe
- **Empowering Community Leaders** as we all work to sustain and improve our communities.

In 2010-2011, Family and Consumer Sciences Extension made **5,576** contacts with Martin County individuals and families.²

OUR PEOPLE

Population by Age Group¹

The 2010 U.S. Census reported total population in Martin County as **12,929**.¹

SPOTLIGHT ON ...

SECURING FINANCIAL STABILITY

The Martin County Cooperative Family and Consumer Sciences Agent offered budgeting classes from "Small Steps to Health and Wealth," a program that focuses on adjusting personal spending and eating habits. As a result, 79% of participants now track spending and 100% have created a personal or household budget. 100% have made healthier food choices such as eating more whole foods and fruits, and 79% now get more exercise as a result of the program. Testimonials include: "This opened my eyes that people with little can have plenty with goals and organization," and "This program helped me by showing that I can set my goals the way I need to."

OUR FAMILIES
