Family and Consumer Sciences Extension is committed to improving the quality of life for individuals and families in Whitley County. As the current economic situation continues to create challenges, educational programs focus on:

• **Making Healthy Lifestyle Choices** that influence health and well-being
• **Nurturing Families** as they cope with fewer resources and more demands
• **Embracing Life as We Age** to strive for independence longer
• **Securing Financial Stability** in a turbulent economic period
• **Promoting Healthy Homes and Communities** to recycle, reduce waste, and protect our environment
• **Accessing Nutritious Food** that is affordable, available and safe
• **Empowering Community Leaders** as we all work to sustain and improve our communities.

In 2010-2011, Family and Consumer Sciences Extension made 17,195 contacts with Whitley County individuals and families.\(^1\)
