County Extension Agent, Family and Consumer Sciences

BUILDING STRONG FAMILIES

FOR KENTUCKY 2014

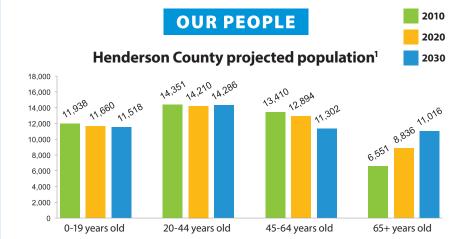

OUR FOCUS

Family and Consumer Sciences
Extension is committed to improving
the health and well-being of
individuals and families in Henderson
County. To help families make wise
decisions, our educational programs
focus on:

- Making Healthy Lifestyle Choices that influence health and well-being
- Nurturing Families as they cope with fewer resources and more demands
- Embracing Life as We Age to strive for independence longer
- Securing Financial Stability in a turbulent economic period
- Promoting Healthy Homes and Communities to recycle, reduce waste, and protect our environment
- Accessing Nutritious Food that is affordable, available and safe
- Empowering Community Leaders as we all work to sustain and improve our communities

In 2012-2013, Family and Consumer Sciences Extension made **3,049** contacts with Henderson County individuals and families.²

SPOTLIGHT ON ...

PLATE IT UP! KENTUCKY PROUD

o promote Kentucky's diverse agriculture and educate the public on making healthy choices and accessing nutritious foods, Family and Consumer Sciences agents in the Henderson County area teamed up to bring "Plate It Up! Kentucky Proud" information to two events. The Ag Expo in Owensboro drew more than 300 participants and the Henderson Oval Kitchen tour drew approximately 150 people. Attendees watched Family and Consumer Sciences agents prepare nutritious recipes using Kentucky foods and tasted the resulting dish. The evaluation testimonials revealed that participants used previously distributed recipes and reported plans for future use. All attendees realized how easy the "Plate It Up! Kentucky Proud" recipes are and the importance of shopping locally.
