Family and Consumer Sciences Extension is committed to improving the health and well-being of individuals and families in Trigg County. To help families make wise decisions, our educational programs focus on:

- **Making Healthy Lifestyle Choices** that influence health and well-being
- **Nurturing Families** as they cope with fewer resources and more demands
- **Embracing Life as We Age** to strive for independence longer
- **Securing Financial Stability** in a turbulent economic period
- **Promoting Healthy Homes and Communities** to recycle, reduce waste, and protect our environment
- **Accessing Nutritious Food** that is affordable, available and safe
- **Empowering Community Leaders** as we all work to sustain and improve our communities

In 2012-2013, Family and Consumer Sciences Extension made 7,839 contacts with Trigg County individuals and families.

**Recent statistics show that 72 percent of the adults in Trigg County are considered overweight and 23 percent are considered obese.** The Trigg County FCS agent collaborated with the certified diabetes educator from the Pennyrile District Health Department to offer an eight-hour course in managing diabetes. An average of 17 people attended each of the four sessions. Post-participation evaluations revealed that 100 percent of the participants reported gaining knowledge about diabetes and 100 percent of the participants set a goal to change a behavior, including eating healthy, becoming more active, or working more closely with a doctor to maintain glucose levels. Follow up is in progress to see what goals have been met and what behavior changes resulted.
In Trigg County…

• 738 was the average monthly number of children who received SNAP** (food stamps) in 2011, up from 563 children in 2007 (up 31.1%).
