County Extension Agent, Family and Consumer Sciences

# Building Strong Families FOR KENTUCKY 2016

### OUR FOCUS

Family and Consumer Sciences (FCS) Extension is committed to improving the health and well-being of individuals and families in Gallatin County. To help Kentuckians strengthen their financial, physical, and social well-being, our educational programs focus on:

- **Making Healthy Lifestyle Choices** that influence health and well-being
- **Nurturing Families** as they cope with fewer resources and more demands
- **Embracing Life as We Age** to live independently longer
- **Securing Financial Stability** in a turbulent economic period
- **Promoting Healthy Homes and Communities** that recycle, reduce waste, and protect our environment
- **Accessing Nutritious Food** that is affordable, available, and safe
- **Empowering Community Leaders** as we all work to sustain and improve our communities

In 2014-2015, Family and Consumer Sciences Extension made **8,044** contacts with Gallatin County individuals and families.<sup>1</sup>

### OUR PEOPLE

### SPOTLIGHT ON...

## PLATE IT UP CHALLENGE

To encourage Gallatin County residents to eat more fruits and vegetables, Gallatin County Extension hosted the Kentucky Proud Plate It Up Challenge. Participants were challenged to eat more fruits and vegetables and Kentucky Proud products and prepare a Plate It Up recipe. Several programs used Plate It Up recipes, including Plate It Up Night for the County Extension Council and Cooking from the Garden. Evaluations showed that many participants prepared more than one Plate It Up recipe. All were more aware of Kentucky food products and 95% became more aware of the amount of fruits and vegetables they eat on a daily basis.
