Building Strong Families FOR KENTUCKY 2016

OUR FOCUS

Family and Consumer Sciences (FCS) Extension is committed to improving the health and well-being of individuals and families in Hickman County. To help Kentuckians strengthen their financial, physical, and social well-being, our educational programs focus on:

- **Making Healthy Lifestyle Choices** that influence health and well-being
- **Nurturing Families** as they cope with fewer resources and more demands
- **Embracing Life as We Age** to live independently longer
- **Securing Financial Stability** in a turbulent economic period
- **Promoting Healthy Homes and Communities** that recycle, reduce waste, and protect our environment
- **Accessing Nutritious Food** that is affordable, available, and safe
- **Empowering Community Leaders** as we all work to sustain and improve our communities

In 2014-2015, Family and Consumer Sciences Extension made **11,115** contacts with Hickman County individuals and families.¹

OUR PEOPLE

SPOTLIGHT ON...

PROGRAMS HELP SHED POUNDS

The Get Fit Challenge, Weight the Reality Series, and Diet FREE help people be more physically active and reduce the risk of chronic diseases by helping them lose weight. Forty-seven people participated in one of the three programs and lost a cumulative 163.4 pounds. In a survey, 90% said the programs were extremely valuable; 82% said that before Extension programming they were not effective in managing their weight; 92% said after Extension programming they were more effective in managing their weight; 96% feel that physical activity is very important; and 56% continue to exercise three or more days a week three months after the program.
