

2025 ANNUAL REPORT

University of Kentucky Family and Consumer Sciences Extension

Family and Consumer Sciences (FCS) Extension at the University of Kentucky improves the lives of Kentuckians through engaging and impactful educational programming. FCS Extension professionals play a vital role in their local communities and strengthen Kentucky by building strong families. FCS Extension programs provide practical education in the areas of health and nutrition, family development, resource management, mental health and well-being, civic engagement, leadership, and much more. It is our goal to serve Kentuckians through the lifespan and improve the quality of life for all individuals.
