

Labeling Requirements for Homebased Microprocessors

The following information shall be included on the label of each food product:

1. Common or usual name of the food product.
2. Name and address of the homebased microprocessing operation, including the street address, city, state, and zip code.
3. Ingredients of the food product listed in descending order of predominance by weight.
4. Net weight or volume of the food product by standard measure or numerical count.
5. The following statement in 10-point type: "This product is home produced and processed."
6. The date the product was processed.
7. Allergen identification for ingredients that contain any of the Major Food Allergens: milk, eggs, wheat, soybean (soy), peanuts, tree nuts, fish, shellfish and sesame.

Example:

For labeling questions, contact Lewis Ramsey with the Food Safety Branch at 502-564-7181 or lewis.ramsey@ky.gov
