The 2000 U.S. Census reported total population as **85,991**.² The graph below indicates the percentage by age group.

Figure 1. Population by Age Group² (n=85,991)

Spotlight on . . .

Promoting Healthy Homes and Communities

Knowing that cleaning products increase indoor pollution and may cause health problems, the Boone County Cooperative Extension Service conducted Healthy Homes: Clean it Right for Healthy Living. The program provided information on health issues surrounding an unclean home and choosing and using effective cleaning products. Seventeen adults participated in the program and classes on home cleaning topics will continue to be offered.¹

Our Families

Using data from the 2000 U.S. Census, Boone County families can be described as follows:²

- **23,638** families reside in the county.
- **1,042** families (**4.4%**) live below poverty level.
- Median family income is **\$61,114**.
- **481** grandparents are responsible for the care of their grandchildren.

According to the Kentucky Cabinet for Health and Family Services, **6,599** people in Boone County receive food stamps. The average family food stamp benefit is **\$245.24** per month.³

In the county, **226** children live in out-of-home care.⁴ In 2004, there were **18** incidents of adult abuse and **131** incidents of child abuse.⁵
