Our People

The 2000 U.S. Census reported total population as **23,208**.² The graph below indicates the percentage by age group.

Figure 1. Population by Age Group² (n=23,208)

Spotlight on . . .

Securing Financial Stability

Over 35 women of all ages participated in the Dollars and Sense for Women series. Three evening programs were conducted by the FCS agent in partnership with local chapter of the Association of University Women. The topics included basic budgeting, saving money, credit and debt. Eighty percent reported an increased knowledge of the subjects. As a result of the series, the FCS agent was invited to present the “Dollars & Sense: Budgeting and Saving” program to the University of Kentucky Women’s Forum. Thirty-two female employees of diverse backgrounds and positions attended with 60% indicating knowledge gained.¹

Our Families

Using data from the 2000 U.S. Census, Woodford County families can be described as follows:²

- **6,718** families reside in the county.
