County Extension Agent, Family & Consumer Sciences

BUILDING STRONG FAMILIES FOR KENTUCKY 2012

OUR FOCUS

Family and Consumer Sciences Extension is committed to improving the quality of life for individuals and families in Graves County. As the current economic situation continues to create challenges, educational programs focus on:

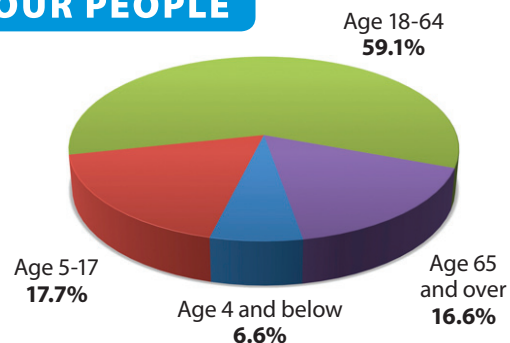

- **Making Healthy Lifestyle Choices** that influence health and well-being
- **Nurturing Families** as they cope with fewer resources and more demands
- **Embracing Life as We Age** to strive for independence longer
- **Securing Financial Stability** in a turbulent economic period
- **Promoting Healthy Homes and Communities** to recycle, reduce waste, and protect our environment
- **Accessing Nutritious Food** that is affordable, available and safe
- **Empowering Community Leaders** as we all work to sustain and improve our communities.

In 2010-2011, Family and Consumer Sciences Extension made **4,270** contacts with Graves County individuals and families.²

OUR PEOPLE

Population by Age Group¹

The 2010 U.S. Census reported total population in Graves County as **37,121**.¹

SPOTLIGHT ON ...

MAKING HEALTHY LIFESTYLE CHOICES

To address chronic lifestyle diseases, multiple programs were implemented by the Graves County Family and Consumer Sciences Agent, including dispensing information at two health fairs; holding the fifth annual Wellness Walk and one four-week session of "Small Steps to Health and Wealth"; and teaching four weeks of Literacy, Eating, and Activity for Preschoolers (LEAP) to 100 students in five elementary classes. In collaboration with Graves County Health Department, American Red Cross, and YMCA, the first 2nd Sunday was held, with 50 participants. In cooperation with Ballard County Extension, four sessions of "A Matter of Balance" were taught to approximately 40 senior citizens. In response to requests, a canning class was taught, covering pressure- and water-bath canning methods and how to make freezer jam.

OUR FAMILIES

According to the 2010 Census,¹ of families in Graves County with their own children...

- **69.5%** are husband-wife families
- **30.5%** are single parent families
